Designated Bushfire Prone Area (BPA)

Polygon features identify designated Bushfire Prone Areas where specific bushfire building construction requirements apply. The municipal areas of Melbourne, Yarra, Maribyrnong, Moonee Valley, Darebin, Boroondara, Stonnington, Glen Eira, Moreland, Port Phillip and Bayside do not have any designated bushfire prone areas. The original boundaries were gazetted on 7 Sep 2011. Changes to the boundaries have been gazetted on 25 Oct 2012, 8 Oct 2013, 30 Dec 2013, 3 June 2014, 22 Oct 2014, 19 August 2015, 21 April 2016, 18 October 2016, 02 June 2017, 06 November 2017, 16 May 2018, 16 Oct 2018, 4 Apr 2019, 10 Sep 2019, 24 March 2020, 7 September 2020, 25 January 2021, 6 July 2021, 18 March 2022, 17 August 2022, 20 April 2023, 15 December 2023, 10 September 2024, 10 July 2025, 12 February 2026, 16 June 2026.

-Bushfire prone areas (BPA) of Victoria review 25B, gazetted 16th June 2026. This review is delivered in 2 parts, a metro part and a region part because of the bushfire situation. The BPA map depicts locations where new buildings, alterations and/or additions must meet the 'bushfire prone area' requirements of the National Construction Code and a minimum Bushfire Attack Level (BAL) 12.5 construction standard (Section 192A Building Act 1993 – Bushfire Prone Areas determination, and construction requirements of the Building Regulations 2018).
